

Ergonomic Flooring & Matting Solutions

Relieve standing workers—ergonomic solutions reduce leg and back strain

Matting

DRY AREA

985 Ergo Trax® Grande™ 1" ⚠ *

485 Ergo Trax® 9/16" ⚠ *

- Laminated ergonomic mat made for comfort, durability, and longevity
- Made in two thicknesses
- High-visibility yellow edges say pay attention
- Beveled on all four sides for a smooth mat to floor transition
- 100% recycled PVC diamond plate top surface for sure footing
- Unifusion™ lifetime bond of top surface to the closed-cell ergonomic nitrile rubber sponge

WET AREA

549 Safety Stance® 7/8" ⚠ *

- Industrial grade rubber drainage mat with excellent non-slip and ergonomic properties
- Large hole drainage system with a mini-diamond studded top surface to minimize slippage
- Softer rubber compound for added grip, slip resistance, and comfort
- Stock sizes available with bevels on 3 or 4 sides

Matting/Floor Tiles

DRY AREA

621 Diamond Flex-Lok™ Solid 1" ⚠ *

- Modular interlocking 12" x 12" tiles with solid surface and diamond tread for sure footing in wet conditions
- Multi-tiered design elevates the mat off the floor, creating air pockets and flex points for comfort
- Post and hole interlocking system for easy reconfigurations
- PVC for chemical resistance
- Available beveled ramps and corners

WET AREA

620 Diamond Flex-Lok™ 1" ⚠ *

- Modular interlocking 12" x 12" tiles with drainage holes and diamond tread for sure footing in wet conditions
- Multi-tiered design elevates the mat off the floor, creating air pockets and flex points for comfort
- Post and hole interlocking system for easy reconfigurations
